Designed by Adventure - Built with Style

Golf Caravans bring a whole new level of style and sophistication to the road less travelled. Intelligent design meets rugged performance right across the Golf range whether touring the open road in a sleek, feature packed hard top or a hitting the trail in a cleverly designed pop top. Golf Caravans are designed to maximise adventure without minimising space or comfort.

Built to handle the incredibly diverse Australian landscape, the Savannah range of Golf Caravans are your key to unlock exciting new destinations from the beach to the outback and beyond. With standard inclusions such as solar, deep cycle battery, on board water tanks, twin gas bottles, 3-way fridge and gas/electric hot water, you can take comfort and style further than you ever thought possible - and stay there longer.

The entire Savannah range utilises Golf's lightweight panel construction and superb design features to create a series of hard tops and pop tops that exceed all expectations. Showcasing a unique combination of strength and style, every van in the Savannah range is loaded with features from the ground up. From the 15' alloy wheels and all terrain tyres to the roof top air conditioning, Golf delivers innovative design and unprecedented versatility with each and every vehicle in the Savannah range.

Inclusions

The Savannah range by Golf Caravans showcases one of the most versatile and stylish ranges of luxury caravans in Australia. Jam-packed full of clever design features and inclusions to ensure that you travel with confidence and arrive in style, the Savannah range of hard tops and pop tops makes no compromise when it comes to quality. High end appliances such as 3 way internal fridges, slide out compressor fridge, microwave, cook top, range hood and air conditioning marry perfectly with stylish appointments like soft close drawers, ambience LED lighting, quality veneer panelling and USB charging right across the Golf Savannah range.

Optional Upgrades

The versatility of design prominent across the entire Golf Savannah means there is a hard top or pop top to suit every individual. Exceptional standard inclusions combine with high end optional upgrades to give you the freedom to transform any standard caravan in the Savannah range into a statement of personal style and taste. Take your Savannah caravan to the next level with the "Allure" pack featuring a combination polished chrome fittings, leatherette upholstery, feature splash-backs and high gloss cupboard doors.

Ask us about the large range of optional upgrades available on the Golf Savannah range.

NOTE: Extra care must be taken on unsealed roads as damage caused by potholes or corrugations is not covered under warranty

Alko Enduro outback suspension

Independent Trailing Arm Suspension For Touring Vans And Camper Trailers.

AL-KO, the world leader in caravan chassis & suspension technology, has announced the release of AL-KO Enduro™ Touring - a new era of suspensions systems that provide the enhanced comfort, control and durability of independent trailing arm suspension for touring caravans and camper trailers on bitumen and graded dirt roads.

AL-KO Enduro Touring is not only more comfortable but significantly lighter in weight than beam and leaf axle equivalents.

Summary Of Key Features

- ▶ Market leading 3 year warranty
- ▶ Unique fabricated steel construction engineered to minimize weight whilst maintaining strength
- ▶ Engineered and built in Australia for Australian Conditions
- ▶ Subjected to AL-KO's Extreme Testing Program
- ▶ Fitted With AL-KO Premium Shock Absorbers manufactured in Spain and maintenance free automotive grade bushes
- ▶ Australian Made 4x4 grade coil springs
